

**761—716.7(328) Work plan.**

**716.7(1)** Each airport shall develop a work plan of projects it intends to accomplish under the program. A work plan shall contain:

- a.* General information, including the airport sponsor's name, contact person, mailing address and telephone number.
- b.* A brief description of each project, including its purpose.
- c.* Cost information for each project, including total project cost and an itemized breakdown of project components.
- d.* A resolution from the airport sponsor endorsing the work plan.

**716.7(2)** Completed work plans shall be submitted to the office of program management.

**716.7(3)** The transportation commission shall determine the eligibility of projects contained in work plans.
